

Dear _____,

Thank you for taking the time to consider our request for support. Your contribution has the power to make a real difference in the life of a woman or child who has suffered unimaginable trauma.

Women Make the Difference (WMTD) is a women empowering women initiative raising awareness and funds for **Where Hope Lives**, the trafficking recovery programs serving women, adolescents, and children, on the campuses of Phoenix Dream Center, StreetLightUSA, and Natalie's House.

The WMTD Annual Fundraiser, now in its eighth year, is an exclusive event supporting the most critical programs and services for those who have been victimized by trafficking and sexual exploitation. This year's well-appointed event will reach over 300 community-minded women, gathered for an immersive indoor garden party experience, including silent auction, boutique shopping, live musical performances, guest speakers, and the signature live program auction.

We are asking your consideration of support with a contribution to the silent auction or a donation at any one of our many sized sponsorships tiers. In appreciation, and as a benefit to your business, your support will be recognized online and at the event, on area signage, in the event program and on keepsake items included in all attendees' guest bags. Additional benefits vary by tier.

Key Sponsors are the backbone of the event, underwriting event costs so 100% of the money raised goes to support trauma care.

Guest Experience Sponsors & Silent Auction Donors accelerate fundraising and support year-to-year growth by adding to the guest experience.

Event details:

Women Make the Difference | WMTD 2025
Friday, September 26th, 2025
