

Women Make The Difference

WHEN HOPE IGNITES

Survivors can step into lives of safety, dignity, & possibility

Hi!

I am _____ and I was curious if your (business/company/restaurant) ever supports local non-profit events?

((pull out letter))

We are having our 9th Annual Women Make the Difference event on October 23rd which supports Where Hope Lives, one of the largest Human Trafficking Residential Programs in North America and it is located here in Phoenix.

A part of the fund-raising activities is a Mystery Box Pull where we will have beautiful gift boxes for \$50. In each box is one or more gift cards; worth at least the \$50 they donated for the box.

Would you be interested in donating several gift cards? I have a receipt letter that I can leave with you for your taxes. We will also recognize your business online and at the event (with your permission).

Optional: We would also love to invite you to be a guest at the event! I can add you to my guest list.

Optional: Would you like to know how you can be a sponsor of the event?
